

**RESOLUTION NO: \_\_\_\_\_**

**A RESOLUTION OF THE BOARD OF TRUSTEES OF THE VILLAGE OF LOCH LLOYD, MISSOURI, FOR DENIAL OF THE REQUESTED REZONING OF LAND WITHIN THE VILLAGE OF LOCH LLOYD, MISSOURI**

**WHEREAS**, the Village of Loch Lloyd, Missouri (the "Village") has received an application from the property owner, S9-Redev, LLC, requesting that portions of their 74.9 acre property, generally described as all of Lot 19, Block 7 and portions of Tracts B, G, E, and I, of Loch Lloyd – First Plat, a subdivision within the Village of Loch Lloyd, Cass County, Missouri, and locally known as the Sechrest, be rezoned from Recreational and Open Space District (ROS) to Single Family Residential District (R-1) to accommodate the platting and development of 45 single family residential lots (see Attachment A for legal description of rezonings); and,

**WHEREAS**, the remaining areas of the Sechrest, including the areas identified as common area to be platted as tracts, would remain as currently zoned, ROS; and,

**WHEREAS**, the planning consultant hired on the behalf of the Village of Loch Lloyd, has reviewed this request and drafted two staff reports to the Planning and Zoning Commission (the "Commission") that are dated October 10, 2024, and December 5, 2024 and staff reports to the Board of Trustees dated January 23, 2025, and February 19, 2025; and,

**WHEREAS**, on October 10, 2024, the Commission, after a duly called and noticed public hearing in accordance with the Village of Loch Lloyd's Unified Development Code, and after considering the views of all those who came before it, adopted a motion to continue the public hearing to a future meeting date and requested the applicant provide certain additional information.

**WHEREAS**, on December 5, 2024, the Commission, after a duly called and noticed public hearing in accordance with the Village of Loch Lloyd's Unified Development Code, and after considering the testimony of all those who came before it, voted to recommend to the Board of Trustees denial of the rezoning requested based the following findings:

1. The requested rezoning is not consistent with the land uses as shown on the Village's adopted Land Use Master Plan map and does not address all of the policy considerations as provided in said Land Use Master Plan.
2. The applicant has not verified to the satisfaction of the Planning and Zoning Commission that there is adequate sanitary sewer and water service capacity in which to serve the proposed development and that concerns related to the management of stormwater runoff have been addressed.

3. The requested rezoning impacts the character of the surrounding neighborhoods based on the proposed change in use and the proximity and density of the proposed development the rezoning would permit.
4. The rezoning lacks public benefit and has a greater detrimental impact upon the surrounding properties than the benefit it brings to the owner of the property proposed to be rezoned.

**WHEREAS**, on January 23, 2025, the Board of Trustees of the Village of Loch Lloyd held a duly called and noticed public hearing, received and reviewed the recommendation of the Planning and Zoning Commission, and received and considered the public testimony of all those who came before it.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF LOCH LLOYD, MISSOURI AS FOLLOWS:**

**SECTION 1.** The proposed rezoning as detailed in the staff report to the Board dated February 28, 2025, and as provided in the application, is denied based upon the recommendation of the Planning and Zoning Commission, the findings as stated at the Board meeting and summarized as follows:

1. The requested rezoning is not consistent with the land uses as shown on the Village's adopted Land Use Master Plan map and does not address all of the policy considerations as provided in said Land Use Master Plan.
2. The applicant has not verified to the satisfaction of the Planning and Zoning Commission that there is adequate sanitary sewer and water service capacity in which to serve the proposed development and that concerns related to the management of stormwater runoff have been addressed.
3. The requested rezoning impacts the character of the surrounding neighborhoods based on the proposed change in use and the proximity and density of the proposed development the rezoning would permit.
4. The rezoning lacks public benefit and has a greater detrimental impact upon the surrounding properties than the benefit it brings to the owner of the property proposed to be rezoned.

**PASSED AND APPROVED BY THE BOARD OF TRUSTESS OF THE VILLAGE OF LOCH LLOYD,**

**MISSOURI, THIS 28TH DAY OF FEBRUARY 2025.**
