

Stevie Douglas

- Business Owner
- Graduate of the University of Kansas
- Loch Lloyd resident since 2011

My family moved to Loch Lloyd in 2011 and immediately fell in love with this incredible community.

Over the past 14 years, we have built lifelong friendships—at the pool, on the golf course, at the 19th Hole, on the lake, and in the gym. Our kids are truly growing up in Loch Lloyd, and it is for these relationships, both family and friends, that I feel a deep commitment to serving our Village as a Trustee.

For the past four years, I have been honored to serve as a Trustee, and I am proud of the accomplishments our Board has achieved. Below are a few key highlights:

Traffic Light at East Gate (Holmes Rd.)

- Scheduled for installation in Q3 2025.

Disaster Response Team (DRT)

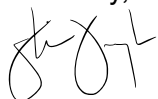

- Established in 2023 to assist during emergencies such as tornadoes, fires, missing persons, and water rescues.
- Training provided by the Belton Fire Department, covering CPR, Stop the Bleed, Basic First Aid, AED use, FEMA Search & Rescue procedures, and disaster response operations.
- DRT members will receive their Emergency Response Kits on March 29, equipping them with essential tools and supplies.

Animal Control Services

- Currently finalizing an agreement with Belton to provide dedicated Animal Control services for our community.

Serving as a Trustee has given me invaluable experience in the inner workings of the Village, strengthening my commitment to Loch Lloyd's future. I look forward to continuing to serve and support our community.

Sincerely,

Stevie Douglas
